Subject: RE: APS - Financing / 1-14-2003 / Volume V / FINAL

Arizona Reporting Service, Inc.,

Reliant has reviewed the text of the portion of the above referenced Volume V designated as confidential (pages 1085-1116) and has determined that this portion of the transcript may be opened to the public. It is our understanding, from Tom Mumaw's email of Friday, that APS has no objection to having the text open to the public. Therefore, on behalf of Reliant, we request that all of Volume V be made available to all parties that purchased the transcript and that the official transcript filed with the Commission remove the confidential designation from all portions of the transcript contained in Volume V. This waiver of confidentiality does not extend to the actual documents admitted as APS-21 through APS-25, inclusive, which we understand will remain under seal.

Please advise if you have any further questions or need anything further to comply with this request.

Sincerely,
William P. Sullivan
